AUGUST IS WATER QUALITY MONTH!

RAINWATER REUSE: USEFUL & BEAUTIFUL

R & R Excavation and Aiki Homes are proud to offer this innovative approach to the ancient practice of rainwater catchments.

Cover your rainwater into a decorative water feature for reuse with Aquascape™.

- A beautiful & responsible way to use water
- Easy & low maintenance
- Greater infiltration
- Avoid ugly cisterns, barrels and storm water systems
- Allow rain to again be part of the natural water table
- Reduce strain on municipal stormwater systems
